## Directors Notes

Directing a pantomime is one of the most rewarding tasks, once the show has been cast the fun begins, and we have had great fun putting this one together. The script we have used is a professional one, Buttons has been played by Norman Wisdom, Cinderella by Martin McCutcheon and the Fairy Queen by Barbara Windsor to name a few. Finding the right songs which hopefully the children and Mums and Dads will enjoy is a pleasure, because in pantomime as long as they carry the story along, anything goes. I have Margaret to design the scenery and costumes, Peter to choreograph the big numbers and Doreen to Stage Manage the show - a truly magical team. Rehearsals have been a big laugh adding our own gags, and I'm sure you will enjoy the finished production. Thanks for supporting us and from everyone at the Salon Varietés we wish you a happy and peaceful 2005!

Peter Mitchell (Director)
