April 17th - 21st 2009

Sit back and enjoy the easy listening golden songs of 40's and 50's, not the all war and doom and gloom numbers but of an era of great songs with unforgettable lyrics, that lifted the hearts and brought people together. If you lived through those years this show will bring back memories, and if you didn't, come and experience an evening of real tunes and words, fabulous standards that have stood the test of time, and have been performed by some of the world's greatest artists. We have thrown in a few show numbers from renowned composers just for good measure. Prepare for a relaxing evening, sing along if you want. I'm sure you'll remember all the words.
