At this time of year everyone is geared towards shopping, food and presents, and why not, but we must never forget the importance of the family, friends and loved ones. Around the world there are millions who have no one, and nothing, let's spare a thought for these unlucky souls, but for the grace of God. I have tried to incorporate love and laughter into this show, two great gifts, and with a little help from my friends I hope we succeed in making this evening a happy and enjoyable time.

"Missing You"

### Choreographers

Some of the children in the show come from **The Instep Dance Academy** run by **Helen Harris** where children from the age of 3 can enjoy Musical Theatre and Dance. Helen has worked as a professional dancer and choreographer for Variety Shows in London. Since coming to Spain Helen has worked for The Junta de Andalucía Conservatory of Dance in Malaga. We welcome her talents here at The Salon.

Other children in the Show come from **The International Theatre School**, run by **Nicola Jones**. The school has gained more than 500 honours over the past few years. Performances include Spain's Got Talent, Disneyland Paris and Gold Medal Winners at The Gibraltar Festival

Our own **Claire Hirons** has been a professional dancer all her life, was a wonderful Sally Bowles in the recent cabaret, and injects fun and life into her choreography.

I must thank these gifted ladies.

Lizz xx

## THE WIZARD OF OZ

The enchanting story of The Wizard of OZ is as fresh today as it was when it became an international movie classic. It tells how Dorothy and her little dog Toto travel to Munchkin Land, where they meet the Scarecrow, Tinman and Cowardly Lion. Together they try to escape the evil clutches of the Wicked Witch of The West.

This elaborate musical production is one of the most ambitious ever staged at the Salon Varietes Theatre, with breathtaking scenery and costumes, brilliant choreography by Peter Height, a superb cast of singers and dancers and wonderful songs that include "Somewhere Over The Rainbow", "Follow The Yellow Brick Road" and "We're Off To See The Wizard".

Peter Mitchell, the director, has been responsible for hit shows such as "Snow White", Beauty & The Beast", "Cinderella", "Aladdin" and most recently "The Full Monty" and "Cabaret". The show runs from December 18th to the 22nd and re-opens on January 2nd until the 6th, with matinees on Dec. 19th and Jan.4th. Early booking is definitely advised for this fabulous musical production. Tel: 952 47 45 42.
